

## PUBLIC NOTICE

The City of Malvern is accepting sealed bids for eradication and removing the debris of the structures located at 520 W. Fifth and 108 Truman Streets.

Bids will be accepted in the Building Department and Code Enforcement Office at City Hall through 10 o'clock a.m., Wednesday, October 7, 2015.

Persons submitting proposals will be responsible for carrying away all materials, including the foundations, and will be responsible for providing all labor, equipment, and materials necessary for the execution of the job.

The party awarded the contract will be required to provide, prior to the signing of the contract, proof of liability insurance and documentation showing where waste materials will be disposed of. The contract will be awarded by the Malvern City Council at their regular meeting on Tuesday, October 13, 2015. Contractor is required to sign contract within ten (10) working days of the awarding of the contract.

The City reserves the right to reject any or all bids received.
